Junior vigorously scrubbed his corpse-licked cheek with one hand. Then he scrubbed his hand against the musician's raincoat. "I never saw a Moor--never saw the Sea--Yet know I how the Heather looks--And what a Billow be." Turning in Celestina's lap, Angel said, "Smell," and held the index finger of her right hand under her mother's nose. "Why should I be afraid of a stumbling blind boy?" asked Junior again. But this time the words issued from him in a different tone of voice, because suddenly he sensed something knowing in this boy's attitude, if not in his manufactured eyes, a quality similar to what the girl exhibited. The hospital room was softly lighted, and shadows roosted on all sides like a flock of slumbering birds. As quick as a snake strikes, Vanadium was much closer to the bed than he had been when he tossed the coin, at Junior's side now, leaning over the railing. "Naomi was six weeks pregnant." Like all women past puberty and this side of the grave, she was attracted to him. She never told him as much, not in words, but he detected this attraction in the way she looked at him, in the tone that she used when she spoke his name. Throughout three weeks of therapy, Seraphim revealed countless small but significant proofs of her desire. "You sounded as though you were in a lot of distress. You were frightened of this Bartholomew." Reminding himself that nature was merely a dumb machine, utterly devoid of mystery, and that the unknown would always prove familiar if you dared to lift its veil, Junior discovered he could move. Each of his feet seemed to weigh as much as one of Wroth Griskin's cast bronzes, but he crossed the sidewalk and went into Galerie Coquin. Then by ambulance to the hospital, whisked into surgery, and for a while, blessed unconsciousness. When she tried to say bow, the how of speech eluded her, and she sat as mute as if no words had ever passed her lips before. The shakes returned, became more violent than previously--and then once more passed. This philosophy had worked for him previously, but forgetting the aftermath was more difficult when the aftermath was your own poor, torn, severed toe. Your own poor, torn, severed toe was infinitely more difficult to ignore than a busload of dead nuns. They knew no one named Bartholomew, and she had never heard the name from him before, but she knew what he wanted. He was speaking of the son he would never see. The odds against this phenomenal eleven-card draw must be millions to one, which seemed to give the predictions validity. Halos and rainbows loomed in her memory, ominous as they had never been before. "Stop it, stop it!" Agnes, only ten years old, slender and shaking, but wild with righteousness, until now held in thrall by her own fear, by the memory of all the beatings that she herself has taken. She screams at their father and strikes him with a book she's brought from the house. The Bible. She strikes their father with the Bible, from which he's read to them every night of their lives. He drops the roses, tears the holy book out of Agnes's hands, and pitches it across the yard. He rakes up a handful of the scattered roses, intending to make his son resume this dinner of sin, but here comes Agnes once more, the Bible recovered, brandishing it at him, and now she says what all of them know to be true but what none of them has ever dared say, what even Agnes herself will never again dare to say after this day, not while the old man lives, but she dares to say it now, holding the Bible toward him, so he can see the gold-embossed cross upon the imitation-leather cover. "Murderer," Agnes says. "Murderer." And Edom knows that they're all as good as dead now, that their father will slaughter them right here, right this minute, in his rage. "Murderer," she says accusingly, behind the shield of the Bible, and she doesn't mean that he is killing Edom, but that he killed their mother, that they heard him in the night, three years before, heard the short but awful struggle, and know that what happened was no accident. Roses fall from his skinned and pierced hands, a flurry of petals yellow and petals red. He rises and takes a step toward Agnes, his dripping fists crimson with his blood and with Edom's. Agnes doesn't back away, but thrusts the book toward him, and scintillant sunlight caresses the cross. Instead of tearing the book out of her hands again, their father stalks away, into the house, surely to return with club or cleaver ... yet they will see no more of him this day. Then Agnes-with tweezers for the thorns, with a basin full of warm water and a washcloth, with iodine and Neosporin and bandages-kneels beside him in the yard. Jacob, too, comes forth from the dark crawlspace under the porch, having watched in terror from behind the latticework skirt. He is shaking, crying, flushed with embarrassment because he didn't intervene, although he was wise to hide, for the disciplinary beating of one twin usually leads to the pointless beating of the other. Agnes gradually settles Jacob by involving him in the treatment of his brother's wounds, and to Edom she says, often thereafter, "I love your roses, Edom. I love your roses. God loves your roses, Edom." Overhead, agitated wings quiet to a soft flutter, and the shrieking crows grow silent. The air pools as still and heavy as the water in a hidden lagoon within a secret glade, in the perfect garden of the unfallen.....Luck favored Paul: The hero was here, having breakfast. He and two other men were deep in conversation at a corner table. The mortician and his assistant had nearly finished dismantling the frame of the winch. Soon a worker would close the hole. Perhaps these two months of frustration had brought him to this: hair-trigger nerves, fevered imagination, and anticipation distilled into dread. With a nimbleness and an alacrity that a lemur would have admired, the girl ascended to the first crotch. Startled, Nolly checked his shirt pocket and withdrew a quarter. "It's not the same one." Even at this post midnight hour, the lounge would sometimes be as crowded with worried loved ones as at any other time of the day. This morning, however, the only life under the threat of the scythe appeared to be Wally's; the sole vigil being kept was for him. He knew for a fact that Seraphim had died in childbirth. He had seen the gathering of Negroes at her funeral in the cemetery, the day of Naomi's burial. He had heard Max Bellini's message on the maniac cop's Ansaphone. He was a patriotic guy, and he preferred American rock to the British brand. He had nothing against the English, no prejudices against people of any nationality. Nevertheless, he believed that the American Top 40 ought to feature American music exclusively. Before Celestina probed and perhaps touched upon a sore tooth of truth, Tom launched into the story of King Obadiah, Pharaoh of the Fantastic, who had taught him all he knew about sleight of hand. In the brief silence between cuts on the album, he heard the clink of the wineglass against the bottle of Merlot, as the visitor evidently gathered them from the floor. He felt some guilt at this-but only a little. His sister had done much for him; but jobless, ruled by his obsessions, hobbled by too much

of his father's dour nature, there wasn't a lot that he could do for her. Just this benign deceit with the cards..Some information she'd withheld from him: that the cancer might already have spread, that he might still die even after his eyes were removed-and that if it hadn't yet spread, it might soon do so..Mary had a yellow vinyl ball of the type Koko would happily chase all day and, if allowed, chew all night, keeping the house awake with its squeaking. "Want this?" she asked Koko. Koko wanted it, of course, needed it, absolutely had to have it, and leaped into action as Mary pretended to throw the ball..She must have sensed his assessment of her and realized that she had little chance of charming him, for she turned at once away and never looked in his direction again..A forgetful client had left the bumbershoot in the office six months ago. Otherwise, Nolly wouldn't have had any umbrella at all..His homely face was long and narrow, as though pulled into that shape by the weight of his responsibilities. In other circumstances, however, his generous mouth might have shaped an appealing smile; and his green eyes had in them the compassion of someone who himself had known great loss..He left by the back door, to avoid the aftermath seeping across the foyer floor. Fog enveloped him, cool and refreshing..Find the father, kill the son. In just nine days, Junior bedded four beautiful women: one on Christmas Eve, the next on Christmas Night, the third on New Year's Eve, and the fourth on New Year's Day. For the first time in his life-and on all four occasions-his joy in the act was less than complete..The hospital was drowned in the bottomless silence that fills places of human habitation only in the few hours before dawn, when the needs and hungers' and fears of one day are forgotten and those of the next are."I'll never forget it," Dr. Salk promised. With his attention still on Perri's pictures, he said, "But I'm afraid you give me far too much credit. I'm no superman. I didn't do the work alone. So many dedicated people were involved..". "From time to time now, you're going to be written about," Helen warned. "Be prepared for a peevish critic or two, furious about your optimism..". Those who had just met her and those who were overly charmed by eccentricity called her Seraphim, her name complete. Her teachers, neighbors, and casual acquaintances called her Sera. Those who knew her best and loved her the most deeply--like her sister, Celestina called her Phimie..He was a virile young man, desired by many, and life was short. Poor Naomi, her lovely face and her look of shock still fresh in his memory, was a constant reminder of how suddenly the end could come. No one was guaranteed tomorrow. Seize the day..A table candle glowed in an amber glass. To Nolly, in this glimmering light, Kathleen's face was more radiant than the flame..Such quiet filled the house that Agnes couldn't hear even the murmuring miseries of the past..Suddenly she realized--Good Lord!--that someone else had a had inside her, up the very center of her, massaging her uterus in the same lazy pattern as that made by the piece of melting ice on her belly..Beyond the window, Barty failed to do any of the things that Agnes expected of a boy not fully enough part of the day to share its rain: He didn't flicker like an image on a static-peppered TV screen; he didn't shimmer like a phantom figure in Sahara heat or blur like a reflection in a steam-clouded mirror..His first year in San Francisco was an eventful one for the nation and the world. Winston Churchill, arguably the greatest man of the century thus far, died. The United States launched the first air strikes against North Vietnam, and Lyndon Johnson raised troop levels to 150,000 in that conflict. A Soviet cosmonaut was the first to take a space walk outside an orbiting craft. Race riots raged in Watts for five fiery days. The Voting Rights Act of 1965 was signed into law. Sandy Koufax, a Los Angeles Dodger, pitched a perfect game, in which no hitter reached first base. T. S. Eliot died, and Junior purchased one of the poet's works through the Book-of-the-Month Club. Other famous people passed away: Stan Laurel, Nat King Cole, Le Corbusier, Albert Schweitzer, Somerset Maugham.... Indira Gandhi became the first woman prime minister of India, and the Beatles' inexplicable and annoying success rolled on and on..In spite of the urgency of his desire, he followed a circuitous route to Victorial's, doubling back on himself twice, watching for surveillance as he drove. If he were being followed, his tail was an invisible man in a ghost car..A deep-set casement window. Two latches on the right side, one high, one low. Detachable hand crank lying on the foot-deep sill. Mechanism socket in the base casing..Jacob scared people. He was 'Edom's identical twin, with Edom's boyish and pleasant face, as soft-spoken as Edom, well barbered and neatly groomed. Nevertheless, on the same mission of mercy as Edom, Jacob would leave the pie recipients in a state of deep uneasiness if not outright terror. In his wake, they would bar the doors, load guns if they owned any, and lay sleepless for a night or two..On the short return trip to the ophthalmologist, Agnes crazily considered driving past Chan's office building, cruising onward--ever onward--into the sparkling December night, not just back to Bright Beach, where the bad news would simply come by phone, but to places so far away that the diagnosis could never catch up to them, where the disease would remain unnamed and therefore would have no power over Barty..Upon arriving at the creche window, he had been in a buoyant mood. As he studied the quiet scene, however, he grew uneasy..THE DEAD DETECTIVE, grinning in the moonlight, a pair of silvery quarters gleaming in the sockets once occupied by his eyes.. "One of the things I was searching for in your house was a life insurance policy on your wife. I didn't find one. Didn't find any canceled checks for the premium, either..". Even Agnes was briefly unnerved to the extent that she said, "Enough of this. It's not fun anymore..". Orange firelight bloomed in the living room below, a wave of heat washed over Paul, and immediately behind the heat came greasy masses of roiling black smoke, drawn to the stairwell as to a flue..Her lead gaze was still surprisingly clear. How remarkable that the impact hadn't caused a starburst hemorrhage in either of her exquisite, lavender-blue eyes. No blood, lust surprise..And like John Kennedy's death, Zedd's passing was cloaked in mystery, inspiring widespread suspicion of conspiracy. Only a few believed that he had committed suicide, and Junior was certainly not one of those gullible fools. Caesar Zedd, author of You Have a Right to Be Happy, would never have blown his brains out with a shotgun, as the authorities preferred the public to believe.. "Well, we have earthquakes here," Jolene said, "but back east they have all those hurricanes..". Junior flung back the covers and came to his feet, but his knees proved weak, and he sat at once on the edge of the bed..In spite of the thousands of hours that Paul was afoot, he seldom thought about why he walked. He met people along the way who asked, and he had answers for them, but he never knew if any answer might be the truth.. "Well," Agnes said, "thank the Lord, we don't have tornadoes here in California..". "AND I DRINK CHAMPAGNE ALL DAY," said Miss Cheese, pronouncing it "cham-pay-non..". To the phone, the police. No dial tone. Pointless to rattle the disconnect switch. The line had been cut.
